

**DEPARTMENT OF ELECTRICAL AND  
COMPUTER ENGINEERING AND INFORMATICS  
RESEARCH ASSOCIATE POSITION**

**Title:** Research Associate  
**No. of Position(s):** 1  
**Category:** 2 Years Contract (subject to renewal)  
**Location:** Frederick University, Nicosia, Cyprus

The Computational Intelligence Research Lab (COIN) of the Department of Electrical Engineering, Computer Engineering and Informatics, Frederick University, announces one full time or part-time position:

- Researcher: 150 hours/month – full-time (**preferred**) or part-time

The successful candidate will mainly work as a Researcher on EU and Nationally funded projects that COIN coordinates. Besides research activities, s/he will be required to support the management of projects.

### **QUALIFICATIONS**

The candidate is expected to be a highly-motivated individual with proven capability to work in a demanding, multi-disciplinary research environment and eager to be actively engaged in research and other demanding activities of projects, while collaborating efficiently with the other members of the COIN team. Qualification requirements include:

1. Deg MSc and/or PhD in Computer Science or Related Fields.
2. Knowledge and previous experience in machine learning, deep learning, computer vision or related fields.
3. Very good knowledge of the English language.
4. Previous experience in proposal writing will be considered as a plus.

### **DUTIES AND RESPONSIBILITIES**

The successful candidate will need to work on research and development as well as management on related tasks of projects that COIN is involved in. Also, s/he will be strongly encouraged to pursue PhD studies (in case s/he does not possess the relevant degree).

### **EMPLOYMENT TERMS**

The position is on a contract basis of 24 months – 150 hours/month – full-time (**preferred**) or part-time, subject to renewal (based on performance and availability of funding). The monthly gross salary cost is equal to **€1500 – 2300 depending on qualifications for full-time work status**. The position does not include a 13<sup>th</sup> Salary bonus and does not include additional medical insurance coverage, other than the GHS obligatory coverage.

Interested candidates should submit their application **by the 21<sup>st</sup> of January 2024** with the following items, **in PDF format, via e-mail to:** Dr. Harris Papadopoulos, [h.papadopoulos@frederick.ac.cy](mailto:h.papadopoulos@frederick.ac.cy), CC: Dr. Andreas Constantinides, [com.ca@frederick.ac.cy](mailto:com.ca@frederick.ac.cy), with subject: Application for the Research Associate Position at COIN.

- i. Cover letter in which they express interest in the position with a brief review of their related work and clearly indicate the date on which they are available to assume responsibilities.
- ii. A detailed curriculum vitae in English.
- iii. Proof of their qualifications – including BSc/MSc/PhD degree(s) and transcripts.
- iv. The names and contact details of at least two persons (non-relatives) from whom references may be requested.

**Shortlisted candidates will be invited for a face-to-face or online interview.**

It is noted that:

1. The Frederick University implements a policy of equal opportunities in recruitment and subsequent career stages and encourages people of both genders to apply for research and management positions at all levels.
2. The Frederick University does not discriminate on the basis of race, colour, religion, gender, nationality, age, physical ability, marital status and sexual orientation.

For more information, interested applicants may contact: Dr. Harris Papadopoulos, ([h.papadopoulos@frederick.ac.cy](mailto:h.papadopoulos@frederick.ac.cy)) or Dr. Andreas Constantinides ([com.ca@frederick.ac.cy](mailto:com.ca@frederick.ac.cy)).
